### City of Kingman in Negotiations with City Manager Candidate

KINGMAN, Arizona – April 4, 2018 – After extensive research and interviews of four qualified candidates from across the country, the City of Kingman is pleased to announce that employment agreement negotiations have begun with Ron Foggin, former City Manager of Dallas, Oregon, for the position of Kingman City Manager. Negotiations are anticipated to be completed by April 17, 2018.

Ron Foggin has 19 years of local government experience. His most recent experience was serving as the City Manager for the City of Dallas, OR, a position he held from 2012 to 2017. Prior to his position in Dallas, Mr. Foggin served as Assistant City Administrator for the City of Lehi, UT for 7 years and also held the position of Finance Director in Lehi, UT. Early career experience includes being the City Treasurer for the City of Eagle Mountain, UT. Mr. Foggin also served on boards and commissions which support local government activities. He has a master's degree in Public Administration and a bachelor's degree in Political Science from Brigham Young University. Mr. Foggin is a member of the International City Management Association and is recognized as a Credentialed Municipal Manager.
